

Sparrows & Wrens
Week Beginning 30/10/2023

What we are learning about:

This term we are thinking about 'celebrations'.

To kick start our learning we will be thinking about Halloween.

We will practice hearing and writing initial sounds and CVC words for spooky pictures, saying what we like/don't like about Halloween and reading the funny bones story.

Later in the week we will look towards bonfire night, thinking about how we celebrate and learning the 5th November saying.

We will be thinking about fireworks, how to be safe around them and then more in depth at their sounds and if we can recreate them!

In our wanderlust learning we will be looking at pumpkins and exploring them in lots of different ways.

Number of the Week

The 'fiveness' of 5

Sounds of the Week

New RWI groups
-see letters (Tues)-

Ideas for at home:

Talk together about how you celebrate Halloween and bonfire night.

Talk about what you will be doing together and what other families might be doing.

Help children to practice writing their first name (with only a capital letter at the start) to help them label their work in school.

Play I-Spy together when you are out and about with initial sounds, seeing if children can guess the words based on their first sounds.

Send in pictures of your celebrations to us on seesaw so children can share them with their classmates! - Halloween pictures, pumpkins you have carved, bonfire celebrations, etc.
