

Sparrows & Wrens

Week Beginning 2/10/2023

What we are learning about:

We are thinking about pets this week! We will talk about any pets we might have at home, and look at the different kind of pets we could have.

We will be reading our first e-book 'Formidable Sid', talk about what describing words are and think of some of these to describe ours or others pets.

We will explore what pets need, talk about if they can look after themselves and what we need to look after different types of pets.

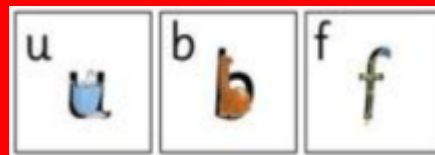

We will paint different pets, explore textures and talk about similarities and differences.

We will also start our wanderlust learning this week! We will be kicking off Welly Wednesday and Forest Friday with our theme of leaves, and we cannot wait to show you what we get up to!

Ideas for at home:

If you have a pet at home, get children involved with looking after them, talking about what you are doing and why.

Ask children who their new friends are or play a game to see how many of their friends names they can remember.

Help children to practice writing their first name (with only a capital letter at the start) to help them label their work in school.

Talk about how things feel, or ask children to describe where things are rather than pointing to them.

Go on a walk and see what leaves you can find, are they changing? Talk about Autumn and how the leaves change.
