

Sparrows & Wrens

Week Beginning 18/03/2024

What we are learning about:

This week we continue our Jobs for Everyone NHS project!

We will be practicing lots for our special assembly for our grown-ups - we cannot wait to show it to you on THURSDAY at 9.30am.

We will be painting different occupations in the NHS using our colour mixing skills and what we know about people jobs and the equipment they might use.

We will continue to role play different jobs in our hospitals, and get involved in a whole range of activities around this both indoors and outside.

In Drawing club we will be reading 'The odd Egg' by Emily Gravett and creating pictures and codes around this!

In maths we will be showing what we know in lots of different ways.

Maths of the Week

Assessment week

Sounds of the Week

New RWI groups

Ideas for at home:

Talk about your likes/dislikes and look at similarities and differences within this, as well as in appearances and celebrate these.

Continue to talk about the different jobs within the NHS and what they can remember.

Watch number blocks episodes and talk about them together, asking what children notice.

Help children to practice recognising and writing their sounds to be able to do this independently, and put these into words, captions and sentences in any way possible!

Help children to read their RWI book bag books, and share reading for pleasure books together, asking questions about what you read together, and get children to predict what they think might happen next!
