

Sparrows & Wrens

Week Beginning 4/12/2023

What we are learning about:

This week we are really getting into our nativity practices, and showing what we know in literacy and maths!

We will continue our learning around 'The Jolly Postman', where we will continue to think about the journey of the Jolly Postman and the different characters that he comes across.

We will be writing and posting letters to Santa, painting pictures, and rediscovering traditional tales from within the Jolly Postman.

We will be making Christmas crafts and getting involved in our post office role play.

Number of the Week

Assessment Week

Sounds of the Week

Sounds A: 

Sounds B: Recap set 1 sounds

Sounds C: Recap set 1 sounds

Ditties: Recap set 2 sounds

Ideas for at home:

Talk about what post you get. and what post you might be sending (Christmas cards etc)

Talk about what celebrations are coming up for you and what you will be doing for them.

Help children to practice recognising and forming their sounds to be able to do this independently.

Play I-Spy together when you are out and about with initial sounds, seeing if children can guess the words based on their first sounds - as well as with amounts...I Can See 7..... etc.

Send in pictures of your celebrations to us on seesaw so children can share them with their classmates!

Count out amounts in different ways. See where you can spot the number 7!
