

Sparrows & Wrens

Week Beginning 18/9/2023

What we are learning about:

This week we are reading "The Day the Crayons Quit"

We will be exploring our feelings and relate these to the different crayons, receiving letters from the different crayons each day! We will be looking for clues and getting crafty, making collages and crayon rubbings.

We will explore colour mixing with powder paints, and learning the rules and routines around using the paints safely and effectively.

We will be cementing our routines and thinking about all the things we learnt last week.

We will make pictograms and compare, sort and match objects and amounts.

Number of the Week

Matching, Sorting and Comparing.

Ideas for at home:

Talk with children about how they are feeling and focus on the positives!

Can children remember any of the story? What crayons can they remember? Ask children what colour their emotions are.

Ask children who their new friends are or play a game to see how many of their friends names they can remember. You could set them a challenge to tell you one new person's name that they have learnt each day.

Talk about colours that mix together, and maybe create a painting at home if you have some paints!

Help children to practice writing their first name (with only a capital letter at the start) to help them label their work in school.
