

## Sparrows & Wrens

### Week Beginning 25/9/2023

### What we are learning about:

This week we are reading "Who's in My Family" by R. Haris.

We will be talking lots about our families and who is special to us. We will draw family pictures for who is in our house, and also recreate this in lots of different ways.

We will explore what special means as well as how to be a good friend and the qualities we like in people.

We will think about how we get to school, what route we take and where our community is. We will revisit who is in our school community and look at some pictures of Auckley and our school.

We will be practicing our cutting skills to make a house and completing jigsaws of houses and families.

## Number of the Week

### The 'oneness' of 1

## Sounds of the Week

g, o, c, k

### Ideas for at home:

Talk with children about who is in their family and where they live.

Can children remember their home address or street name and number?

Ask children who their new friends are or play a game to see how many of their friends names they can remember.

Help children to practice writing their first name (with only a capital letter at the start) to help them label their work in school.

Send on seesaw or bring in a family photo to talk about in class.
