

Sparrows & Wrens

Week Beginning 6/11/2023

What we are learning about:

We start drawing club this week, which we are super excited about! This week in our club, we are drawing based on super worm, and have 8 words we will be talking about and doing actions for - **zooming, super human, courageous, heroic, calamity, wriggling, indestructible, transform.**

In topic we will be thinking about remembrance day and what that means, and looking at poppies in lots of different ways.

We will be collaging, talking about what it means to be brave and writing this on medals, and roleplaying selling poppies in our own poppy shop.

In our wanderlust learning we will be looking at fire, thinking about what we experienced on bonfire night, firefighters, fireworks and this in nature.

Number of the Week

The 'fiveness' of 5

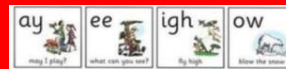

Sounds of the Week

Sounds A: t i n p

Sounds B: w th z ch

Sounds C: ay ee igh ow

Ditties:

Ideas for at home:

Talk together about what you might do on remembrance day.

Talk about what you will be doing together and what other families might be doing, and if children have any questions.

Help children to practice writing their first name (with only a capital letter at the start) to help them label their work in school.

Play I-Spy together when you are out and about with initial sounds, seeing if children can guess the words based on their first sounds.

Send in pictures of your celebrations to us on seesaw so children can share them with their classmates! - Halloween pictures, pumpkins you have carved, bonfire celebrations, etc.
