

Sparrows & Wrens

Week Beginning 20/11/2023

What we are learning about:

We are really enjoying drawing club! This week in our club, we are watching Banana Man, and our 8 words we will be talking about and doing actions for - **gloomy, unconvincing, transformation, searching, befuddled, victorious, muscular, gulp.**

This week is also road safety week! We will be thinking about how to keep ourselves and others safe when near roads.

We will be discussing 'STOP, LOOK, LISTEN and THINK' from brake.

We will also be talking about how to stay safe on our bikes. We will design our own helmets and clothes to 'stay bright and be seen'.

In our wanderlust learning we will be looking at sticks! We will read stickman, order them by length, cut in different ways, make wands and go on a stick hunt!

Ideas for at home:

Talk about how to stay safe near roads when out together, narrating what you are doing to be safe e.g. looking both ways.

Talk about what celebrations are coming up for you and what you will be doing for them.

Help children to practice recognising and forming their sounds to be able to do this independently.

Play I-Spy together when you are out and about with initial sounds, seeing if children can guess the words based on their first sounds.

Send in pictures of your celebrations to us on seesaw so children can share them with their classmates!

Count out amounts in different ways. See where you can spot the number 7!
