

Sparrows & Wrens

Week Beginning 13/11/2023

What we are learning about:

We are really enjoying drawing club! This week in our club, we are reading Room on the Broom, and our 8 words we will be talking about and doing actions for - **whoosh, splat, scaly, swoop, addition, passenger, fiery, horrible.**

In topic, we are thinking about another celebration - Diwali!

We will be making our own diya lamps with scented playdough, making Rangoli patterns with a range of different resources including Numicon and chalk and looking at the different ways Diwali is celebrated.

On Friday we will be taking part in a whole range of Children in Need activities - there will be lots of fun Pudsey activities to get involved in!

In our wanderlust learning we will be looking at spiders! We will go on a spider hunt, make playdough spiders, create webs and think about why spiders are useful and what they do!

Number of the Week

The 'sixness' of 6

Sounds of the Week

Sounds A:

g	o	c	k
---	---	---	---

Sounds B:

qu	x	ng
----	---	----

Sounds C:

qu	x	nk
----	---	----

Ditties:

Ideas for at home:

Talk together about what celebrations you share together as a family.

Talk about what celebrations are coming up for you and what you will be doing for them.

Help children to practice recognising and forming their sounds to be able to do this independently.

Play I-Spy together when you are out and about with initial sounds, seeing if children can guess the words based on their first sounds.

Send in pictures of your celebrations to us on seesaw so children can share them with their classmates!

Count out amounts in different ways. See where you can spot the number 6!
