**Alastair Gooderham, Co-opted Governor**

**Term of Office: 1st September 2019 to 31st August 2023**

**Member of all Governing Body Committees**

My name is Alastair Gooderham and I am a Co-opted Governor and vice-chair of the governing body.

I have been a governor for 15 years and became a governor because I wanted to support the staff and pupils. All 4 of my children have been through the school and I want it to continue to provide what they enjoyed.

I am currently pastor of Grace Church, which meets at the school, but before that was a secondary school teacher for a number of years. That experience of teaching and education is one of the things I feel I bring to my role as a governor, as well as an interest in the pastoral well-being of children and some experience in RE.

Being a governor is both challenging and rewarding, I enjoy spending time with the children, watching them learn and grow as people. The challenge often comes in trying to support staff in what is a highly pressured job.
