

## Andrea Law

**Andrea Law, staff governor**

**Term of Office: 24<sup>th</sup> November 2019 to 23<sup>rd</sup> November 2023**

**Member of all Governing Body Committees**

My name is Andrea Law and I am a Staff Governor.

I am proud to be a staff governor at Hayfield Lane Primary for which I have been for almost 12 years. During my time as a governor I have seen many changes, whereas now the school has developed and increased in size to become a two form entry school, and it has gone from strength to strength. As a Governor I take a key interest in the well-being of both students and the staff team. It's an interesting role that is challenging and ever changing. I enjoy being actively involved in the decisions made in order to continue to move the school forward.

I have been lucky to have worked at Hayfield Lane for just over 20 years, and in that time my children have attended the school and now I am pleased that my grandson attends the school. As a local resident I feel quite passionate about the school and what it stands for and achieves and continues to provide for our community.

During my working day in school where I am employed as a Higher Level Teaching Assistant, where I take part in many aspects of school life, whether it be supporting pupils with their learning on an individual basis, working with small groups or taking whole classes during teachers' PPA cover. My role and passion is to help the pupils achieve their full potential every year, and to give them the best opportunities available for their education and standing in life. I feel very proud on a daily basis to be part of a fantastic, committed and dedicated school team.

**Believe & Achieve**
