

Tamara Lewis

Term of Office - 3rd July 2023 - 2nd July 2027

Hi, my name is Tamara Lewis and I was elected a Parent Governor of Hayfield Lane Primary school in July 2023. I am a proud mum to three beautiful boys and have been a parent at this school since my eldest son started in Reception in 2016. I am also a member of the PTA group, Friends of Hayfield Lane.

I am currently fortunate enough to be taking a career break after working in Banking Administration for 18 and half years. I will be spending some quality time with my family before my youngest son starts full time school next year and I am hoping to dedicate some of my free time to my role as parent governor.

I am really looking forward to supporting what is already a fantastic school to help deliver the best possible education to all our children. I am passionate about ensuring that children have a safe environment to come to each day where they feel cared for and valued and I believe that all children have the right to a full education to ensure they have equal opportunities in life.

Believe & Achieve
