

PROGRESS DATA 2021-22 FOR VULNERABLE GROUPS

The following information is based on progress data from EAZ. Each pupil should make 3 STEPS progress to be making the correct amount of progress for a year (1 step per term). This is to be viewed alongside AGE RELATED EXPECTATION OUTCOME DATA. The data below references the current year group (Y6 to take SATs 2023). For Y2 data, this takes progress from Y1 (which should be 6 steps)
