26th September 2022

Dear parents/carers,

As part of our continued partnership with Doncaster Rugby League Club and the World Cup Legacy Project, we have been invited to perform the Siva Tau (the Samoan national dance) at the civic reception to welcome the Samoan national rugby league team to England. This is a hugely exciting event for all involved

Over the next week, I will be working with the children to go over the Siva Tau - a traditional Samoan war dance. We will also be lucky enough to, once again, have Freddie Tuilagi in school working with the children on perfecting the dance moves and vocals. We will be leaving school on Thursday 6th at 10:30am and arriving at the Mansion House before 11:00am. On arrival, we will be shown to a waiting room where we will Meet Freddie and have a final practice. At 11:15pm, we will perform the Siva Tau to the Samoan entourage and local/national news channels. After performing, the children will be treated to a full lunch before meeting the players and the mayor of Doncaster for a chat and some photos. We are expecting to be finished by 12:30pm and back to school before 1:00pm. As this is wholly within school hours, the children will go back to class and finish the day as normal. We are asking that, on the day, all children come to school in PE kit - white t-shirt and black/navy blue shorts or leggings.

In an exciting addition to this, we have also been asked to perform the Siva Tau again in October. This will be at the Keepmoat Stadium in front of a packed stadium and BBC sport cameras but with the Samoan squad before their match against Greece on October 23rd. I will provide more information about tickets and times after the civic reception...one mega huge event at a time!

Yours sincerely,

Mr Henfield
