Headteacher: Mrs L Tempest

23 September 2024

Dear Parents/Carers

The Photographer is coming!!

The photographer is coming into school to take individual portraits on **Friday 27th September**.

Full school uniform should be worn.

We will NOT be offering to do sibling photographs in school this year due to the number of children now on roll. You can come to the Zone from **8am** to have family photographs with younger and older siblings taken. **You must be at the Zone no later than 8.40am to ensure children are in class on time for 8.55am.**

Taking photographs at this time of the school year will mean that they are back at school in good time for Christmas.

If your child normally has PE on Friday this will be cancelled as they need to be in full uniform. Children going swimming will need to get changed at the baths.

Yours faithfully

Mrs A Harkin
School Business Manager
