BRING YOUR LITTLE ONES ALONG TO ENJOY A SPACE DESIGNED TO MEET THEIR NEEDS, WHERE THEY CAN BE THEMSELVES AND YOU CAN RELAX. WE LIMIT SPACES TO 10 PER SESSION TO MAKE SURE CHILDREN ARE FREE TO EXPLORE THE SENSORY TOYS AND EQUIPMENT WITHOUT BEING OVERWHELMED.

WHO ARE SEN FRIENDS?

SEN friends are a nonprofit constituted voluntary group created to provide SEND children and their families a space where the children can have fun and parents/carers can relax in a judgment free zone, with other people who understand and have shared experiences. We have plans to expand our services, you can follow us on Facebook to find out more and keep up to date with what we offer.
