

What we are learning about:

This week we are returning to Drawing club!

We will be looking at the animation 'Bananaman' and following adventure time based on the baddie Dr. Gloom!

Our ambitious words for the week are:

Gloomy, unconvincing, transformation, gulp, muscular, searching, befuddled, victorious

We will be exploring a range of activities based around this, including making shrink rays, designing our own superhero capes and masks and making Dr. Glooms spooky house!

We will be working on our comprehension skills, reordering the story and talking about what we think might happen next!

On FRIDAY it is Children in Need and we will have lots of different fun and spotty activities for children to get involved in!

Sparrows & Wrens Week Beginning 10/11/2025

Maths

For maths children will now be streamed across Sparrows and Wrens.

This week we will be looking at number in shape, thinking about various 2D shapes and their properties.

We will also be thinking about time in relation to our day, thinking about morning, afternoon and night and what we do then as part of our daily routines.

RWI Phonics

Children will continue in their new RWI groups this week.

This means that all children will be working at the phonics level that is right for them.

We will also be learning and consolidating the sounds:

Ideas for at home:

Look for and recognises shapes of objects around your house.

Practice getting dressed for the weather by themselves, putting on and zipping up coats and putting on gloves and scarves.

Read new RWI books or practice sounds that have been sent home at least 3 times a week.

In reading for pleasure books, continue to recognise any of the sounds from RWI that week? Can they see the sounds in the environment?

We are seeing huge improvements with anti-clockwise circles however, can they continue to secure accurate starting points for the 'curved' letter families. Still starting with a top-right starting point. As before, this can include chalk circles, paint circles, colouring pencil circles to embed this skill.

Ask children if they can remember the wow words for Bananaman this week, and chat about drawing club together! - episodes can be found on You Tube.

Reminders:

Friday is Children in Need, all children are welcome to come to school in non-uniform, spots, Pudsey ears or anything bright and fun!
