

What we are learning about:

This week we will be continuing drawing club with the animation - Super Ted!

Our words of the week are:

Explosion, universe, repair, dingy, satellite, sabotage, drifting, communication.

We will be thinking about the solar system and what the different planets are, as well as the difference between a planet and a star!

We will create stars in different ways, and use lots of fine motor opportunities to keep our hand muscles working and developing!

In handwriting we will be focusing on the letter 'g' looking at the top and bottom solid line, and the bottom broken line to make our letters look the same!

Sparrows & Wrens Week Beginning 16/3/2025

Maths

This week will be focusing on the skill of HALVING.

We will practice halving in lots of different ways - looking at whole's and halves for sharing, halving shapes, and halving numbers with a link to subtraction too!

Phonics

NEW RWI GROUPS

All children will continue in their new groups this week.

We will change books on TUESDAY

At home you could:

Practice red word keyrings and new RWI books.

Share reading for pleasure books together, asking children questions about the story to check they understand.

Look in the sky at night and see what you notice!

Encourage children to dress themselves and pick out what they need for the weather.

See what you can find out about space -or send in questions on seesaw children want to find out!

Talk about gravity, and notice when things fall/hold your own ramp experiment to see what goes down a hill/ramp fastest and talk about why.

Reminder:

Boggeldy Book Fair is on WEDNESDAY - books are priced from £1-£3.

FOHL EASTER DISCO is on THURSDAY 4.15-5.30.

FRIDAY is RED NOSE DAY, children are invited to come to school in something red!
