

What we are learning about:

This week we are embarking on drawing club with **Little Red Riding Hood!** Our ambitious vocabulary this week is: **traipse, crafty, disguised, concealed, menacing, rescue, flee, gratitude.**

We will explore the story in lots of different ways, including sequencing the story, role playing and re-enacting the story, painting, building and using our fine motor skills!

We will also be continuing to practice for sports day and getting ready for the races!

Our handwriting letter of the week is 'j'. We are so impressed with how hard children are trying to form their letters, and it is really paying off in their writing!

Sparrows & Wrens

Week Beginning 5/5/2026

Maths

This week we will be recapping our knowledge of number in lots of different ways.

We will be refining our skills in all areas of maths and checking what we know to problem solve and be secure in our knowledge.

Phonics

Children will continue in their RWI groups.

We will change books on **TUESDAY**

At home you could:

Practice red word keyrings and RWI books.

Share reading for pleasure books together, asking children questions about the story to check they understand, and see if they can predict what might happen next as you read it!

Encourage children to dress themselves and pick out what they need for the weather.

When coming to school notice changes in the weather/trees/new life and plants and talk together about why that is.

Encourage children to help with any gardening you might do at home.

Read or watch Little Red Riding Hood and see if the version is the same as ours at school!

We are working hard to write our letters correctly, can you practice this at home too?

Reminders:

This week is a **BANK HOLIDAY**. Therefore children are in school **TUESDAY - FRIDAY**.

Please remember to send children dressed for the weather, and apply sun cream before school if it is a sunny day.
